

Surrey Youth AI Summit

Youth Innovation, AI Literacy, and Business Problem-Solving Event

What is the Summit?

The Surrey Youth AI Summit is a one-day innovation event where you and your team will build a website, chatbot, app, or automation that solves a real problem for a business or non-profit.

Open to Grade 8–12 students from Surrey School District.

Why Should You Join?

- **Expand your AI knowledge:** Learn how to build chatbots, websites and AI automations
- **Scholarship:** Win a 1 year scholarship for a program at Generation AI.
- **Cash Prizes:** The top 3 winning teams will receive prizes.
- **Earn 6 Volunteer Hours:** A certificate with your name and hours will be allocated to you.
- **Build Your Portfolio:** Create a real-world project you can add to university applications.

No Coding Experience Required!

You do **not** need to be a programmer. We need idea generators, presenters, designers, and tech tinkerers. During the morning workshop, we will teach you exactly how to use easy drag-and-drop tools to build

Event Details & Schedule

- **Date:** Jun 23, 2026
- **Location:** Fleetwood Park Secondary Library
- **Cost:** 100% Free

Time	Activity
11:00 AM - 12:30 PM	Kickoff & No-Code Tool Workshop (We teach you everything!)
12:30 PM - 3:00 PM	The Build Phase (Brainstorming, building, working and lunch)
3:00 PM - 4:00 PM	Science Fair Pitches, Peer Voting & Guest Speaker
4:00 PM - 5:00 PM	Judging, Awards Ceremony & Wrap-up

Timings may be subjective to change*

What You Need to Bring

As this is a Bring Your Own Device event, all attendees are strongly encouraged to bring the following items to be prepared for the building activities:

- Your own laptop
- Chargers
- A water bottle
- Lunch (Snacks and Drinks will be provided)

How to Register

Spots are strictly capped at **70 students**. Sign up solo and choose your own group on the day of the event!

Register by June 12th, 2026: [Forms](#)

Spots are **limited** to 70 students and will be accepted on a first-come-first-served basis.

The Organizing Committee

- Organized by the **FPSS AI Club** and **PRSS AI**
- **Club** Lead Organizer: **Fateh Aamir Ali** (FPSS)
- Lead Organizer: **Yuvraj Bains** (PRSS)

Guest Speaker

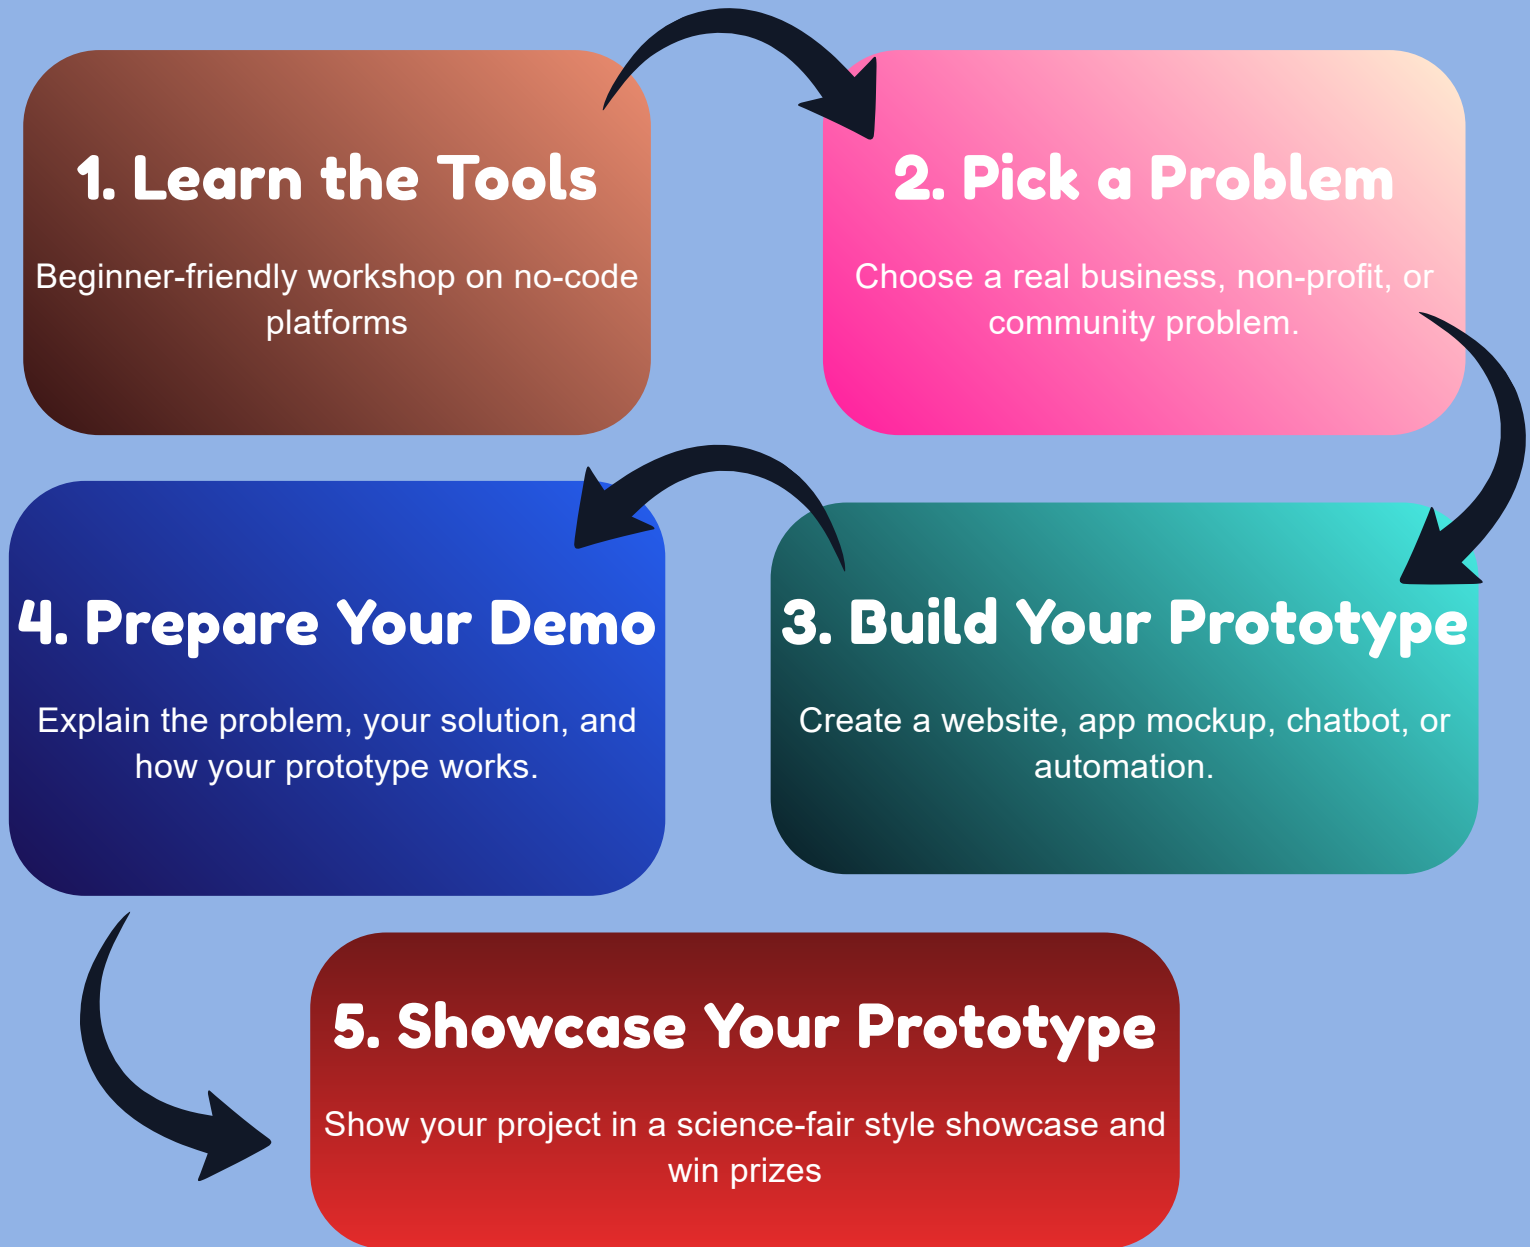

Dr. Peter Ostafichuk,
PhD (UBC)

Dr. Peter Ostafichuk is a Professor of Teaching in Mechanical Engineering at UBC and Chair of First-Year Engineering. He redesigned the first-year curriculum and has been recognized for his contributions to engineering education with the Engineers Canada Medal for Distinction (2023), the 3M Teaching Fellowship (2015), and Fellowship with the Canadian Engineering Education Association (2020).

**Co-founder at Generation AI Inc. | Professor of Teaching,
The University of British Columbia**

What are we doing in the summit?

In one day, your team will learn no-code AI tools, choose a real-world problem, build a prototype, and showcase your solution.

Student Safety & Supervision

The event will be supervised by school staff and student organizers. Students must remain on-site during the event. Parent/guardian consent may be required depending on school policy.

Official AI Education Partner & Prize Sponsor

Generation AI Inc. is supporting the Surrey Youth AI Summit by helping provide student prizes, educational guidance, and real-world AI insight for participants.

Generation AI Inc.

Generation AI Inc. is a Surrey-based AI education organization helping students build future-ready skills in artificial intelligence, coding, and technology.

Through this collaboration, Generation AI will support the summit through student prizes, a guest speaker, and mentorship/judging during the project showcase.
